

Guidelines for SPMTP08 Proceedings

Author1^a and Author2^b

^a *Institution1*

^b *Institution2*

Abstract

These pages provide you with an example of the layout and style which we wish you to adopt during the preparation of your paper. Your text will be reduced by 12%.

Use this template to prepare your manuscript for Proceedings of the Conference.

Please, send your contribution to `spmtp08@theor.jinr.ru`. **Deadline for submission is September 15, 2008. Pagelimit is 8 pages for plenary (40 min) talk, 6 pages for 30 min talk, 3 pages for 20 min talk.**

1 Citation, Figures and Tables

Here is an example of citation [1].

Figures should be prepared in the Encapsulated Postscript format and attached to the manuscript using `zip` or `tar.gz` compression files.

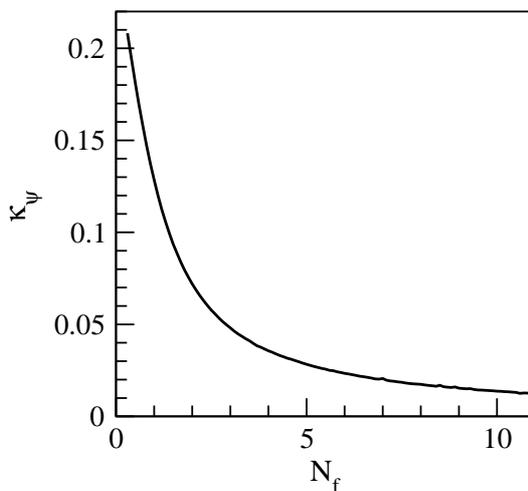

Figure 1: Figure caption.

Tables may be prepared using either the conventional `table` environment or with the help of any of the standard \LaTeX packages.

Important! They should fit the page size!
